

**NJIT-ITU Dual Diploma Program
Transfer Application Process
Academic Year 2021-22**

Dear ITU students,

We are excited that you are in the process of transferring to the Electrical and Computer Engineering department at NJIT in this September. In order to ensure smooth transfer process, please follow below timeline and directions for application.

Apply for **Transfer** Admission

- <https://connect.njit.edu/apply/>
- It is important that you use **only English alphabet** on your NJIT application. Please refrain from using accents etc. on your application.

We recommend that you apply for NJIT transfer ASAP. Due to the ongoing pandemic, you should expect delays in visa appointments and limited flights.

Application should be submitted by April 1

Complete the application for an I-20 (bank statement-affidavit of support) upon acceptance

- Go to https://www.njit.edu/sites/default/files/I-20-application_0.pdf to download the form.
- Please be advised that the Office of Global Initiatives will be issuing your I-20. For any questions or issues with I-20, please contact Ms. Yolanda Hardaway at yolanda.hardaway@njit.edu

Activate your UCID and email

- For sophomores, please wait for the university to send you the instruction to set up your UCID.
- If you need help, please contact the Helpdesk. You can reach them anytime. <https://ist.njit.edu/>

Apply for Housing- Immediately after acceptance

For your safety during the pandemic, we recommend NJIT residence halls for your housing.

- <https://www.njit.edu/reslife/index.php>

Seniors registration- Upon acceptance

- Please contact Ryoko as soon as you are accepted. mathes@njit.edu

- Your advisor for the Senior year is Dr. Sosnowski

ITU final transcript to be sent to NJIT- early June

- Please forward an unofficial copy of your transcript to Ryoko as well.
- **Only grade of CC or above will accepted as transfer credits.**
- If you received a grade below C, I advise that you *retake the course at ITU over the summer, if available*. Otherwise, we will find a way to have you retake the course at NJIT, assuming that there is an equivalent course.
- There is a possibility of delay in your graduation date, if you have CC or below grade at ITU or unsatisfactory grade at NJIT.

Sophomores Schedule provided, mid-late July

- Ryoko will get in touch with you and inform you of your Fall schedule
- **The university/ECE department will register Fall courses for you. No change request, please.**

Please be sure to arrive on NJIT Campus at least 10day before the semester begins for quarantine (per current quarantine requirements).

We look forward to meeting all of you in September.

If you have any questions, please feel free to contact Ryoko Mathes, Academic Advisor, at mathes@njit.edu.

Best,

Helen and John C. Hartmann Department of Electrical and Computer Engineering
New Jersey Institute of Technology
